Tissue-Tek Prisma® Plus & Film® Automated Slide Stainer & Coverslipper

Capacity	660 slides
Dimensions	300000
WxDxH	197 x 71 x 69 cm
Weight	225 kg
Capacity	
Loading	Up to 60 slides
Unloading	Up to 240 slides
Specifications	Prisma® Plus Slide stainer
Capacity	660 slides
Dimensions	
WxDxH	125 x 71 x 63 cm
Weight	150 kg
Number of reservoirs	
Start	1 to 3 stations
Reagent	31 to 51 reservoirs
Drying	0 to 2 stations
Wash	0 to 4 stations
	(8 programmable steps)
Heating (optional)	2 stations
Capacity	
Reagent volume	160, 260 and 680 mL
Staining protocols	11 runs continuously loading,
	and simultaneously running
Baskets	10- or 20-slide basket
Loading	Up to 60 slides per run
Temperature	
Drying station	30 ~ 65°C
Heating station	30 ~ 70°C
Specifications	Tissue-Tek Film® Coverslippe
Capacity	1080 slides
Dimensions	
WxDxH	72 x 58 x 69 cm
Weight	75 kg
Capacity	
Loading	Up to 60 slides
Unloading	Up to 240 slides

Tissue-Tek Prisma® Plus & Tissue-Tek Film®

The Tissue-Tek Prisma® Plus & Tissue-Tek Film® integrated system is the gold standard in staining and film coverslipping. This reliable and flexible workhorse is the ultimate timesaver for your laboratory.

This guaranties true walk away capability and continuous confidence in performance and quality due to its unsurpassed system up-time.

The flexibility of standard and special staining in a single system, with the use of proven film coverslipping technology makes this a cost efficient method.

Ultimate time saving

Virtually every histopathology lab is pushed on turnaround times and faces increasing workload, often with reduced staff and with equal or less financial resources. The integrated Prisma Plus and Film is the ultimate time saver, freeing your staff for other important tasks.

Supreme flexibility

Customers have greatly appreciated the convenience delivered by the integrated Prisma Film stainer coverslipper. This is due to the flexibility of having a single platform to easily perform a H&E and special stains reducing hands on time, maintenance time and service costs.

Superior reliability

The Prisma Plus and Film coverslipper have been designed, engineered and built to provide the laboratory with an integrated stainer coverslipper having a pedigree of dependability and reliability. This ensures a smooth workflow through continuous loading and high quality staining slide after slide.

Tissue-Tek Prisma Plus & Tissue-Tek Film offer you:

- · Ultimate time saving
- Supreme flexibility
- Superior reliability
